

Marc Lester Lagunday

Full Stack Web Developer

Marcelo Green, Paranaque, Metro Manila
09565102662
marclesterlagunday@gmail.com

Self-motivated professional with 3 years of experience working on multiple projects. I enjoy creating things that live on the internet, whether that be website, applications, or anything in between. My goal is to contribute to a positive work environment while learning and applying work expectations.

As a full stack web developer, I love bridging the gap between engineering and design – combining my technical knowledge with keen for creating systems and design to create a beautiful product using the industries best practices.

PROFESSIONAL EXPERIENCE

Generika Drugstore (An Ayala Company)

Web Developer

October 2019 – Present

Projects:

- 1.) Generika Website – develop and maintained the content of the website
